## FAKE AD PROBER TELLS OF WORK

C. E. La Vigne, New York Investigator, Addresses Local Vigilance Committee.

### HITS "MARKED UP" SALES

Joseph Berberich Says Campaign in Advocacy of Truth Is Making Remarkable Strides.

Another step in the promotion of the campaign against "fake advertising" being waged by the Ad Vigilance Committee, an organization initiated by the Retail Merchants' Association, was taken last night, when C. E. La Vigne, chief of the Bureau of Investigation of a New York newspaper, addressed the committee at the Raleigh.

Mr. La Vigne explained step by step the gradual growth of the immense bureau being operated to protect the public against false advertising. He also told of the methods of investigation employed in the exposing of such advertising.

"Advertising," he said, "has become a great national science, involving more than \$700,000,000 annually. Truthful advertising is a serious problem because it affects both the merchant and the public vitally. The truth cannot be weighed, either by pound, gallon, or scale, but real honesty in the writing of words in such a manner that they cannot possibly be misinterpreted."

Condemning the comparative price and bargain day sales, Mr. La Vigne asserted "just so long as the buying public continues to lose its clothes and tear its hair in the mad rush of buying 'marked up' clothing, just so long will the trickster continue to play his trade."

More than two hours were devoted to the explanation of the methods of exposing the various "fake" advertising schemes that he has investigated. At the conclusion of his address he was given a standing vote of thanks by the committee.

Joseph Berberich, chairman of the Ad Vigilance Committee, presided. Following the address of Mr. La Vigne, he told the committee that the campaign in Washington has received such an impetus and incentive from the address of the principal speaker that no power can stop the elimination of "fake" advertising.

Secretary Columbus told the members that the false advertising bill pending in Congress had passed the House and would be passed within a few days by the Senate, with additional amendments covering several other conditions.

## MARKET EMPLOYEES HOLD GALA EVENING

More Than 1,000 Persons Attend Entertainment, Luncheon and Dance at Odd Fellows' Hall.

More than 1,000 employees of the Old Dutch Market Company, Inc., and their friends attended the second annual get-together entertainment and dance tendered them by the company at Odd Fellows' Hall last night.

The entertainment opened with selections by the Old Dutch Market Special Orchestra. Henry R. Evans threw an air of mystery over the hall by his musical parlor magic. The Musurgia Quartet, of this city, won applause for its renditions of grand opera, Hawaiian songs and old ballads. The quartet is composed of Mrs. Ethel H. Gawler, Mrs. William T. Reed, Richard P. Backing and Edwin C. Callow. Harry W. Howard accompanied the quartet. Mr. Callow drew laughs from the most reserved by reciting in Italian dialect, "Da Dutcha Market for Gooda Spaghetti" and "War in the Grocery Store." The Zancigues, noted mental telepathists, closed the entertainment.

After refreshments had been served, King Tango came into his own.

The following committees were in charge of the affair: Executive, Charles H. Tiedmann, chairman; John L. Power, treasurer; Charles H. Borman, secretary; and William H. Padgett, S. Claims Patient Not Insane.

A writ of habeas corpus against Supt. White, of the Government Hospital for the Insane, was issued yesterday by Justice Gould, of the District Supreme Court, requiring him to produce Irwin L. De Golia in court on March 13, and show cause why he should not be discharged from the hospital. The petition, executed by Attorney Richard P. Evans, says De Golia, who was a soldier, was committed to the hospital by military order, that he has since been discharged from the army, and Supt. White has no right to detain him. It is also alleged that De Golia is not insane.

### HAPPY OVER RESULTS

Had Catarrh of Nose and Throat 15 Years—Deco Brings Much Relief.

To have suffered for fifteen years from that most annoying disease, Catarrh of the nose and throat, and then find a remedy that brings relief is enough to make anyone happy. It makes him want to tell about it in the papers so other sufferers may obtain the same relief. Here is a business man in Washington representing the largest concern of its kind in the country, who made a signed statement that he had suffered fifteen years from that awful malady Catarrh, that continual dripping which kept him constantly trying to clear his throat. During that time he spent hundreds of dollars seeking relief, and three bottles of Deco, the Fairbanks Scale Co. had done him more good than all the medicines combined he had used before. That man is Mr. Fred B. Miller, 510 Tenth street northwest, where he holds the agency for the Fairbanks Scale Co. for Washington. Mr. Miller was fortunate indeed to find Deco, for eventually catarrh leads to deafness and other serious troubles. If you have Catarrh get a bottle today from either O'Donnell Drug Store, Anacostia, and Allen's Drug Store, Alexandria.—Adv.

## WEE TOT DRINKS GIN; SAVED BY PHYSICIANS

Negro Child Hiccoughs to Mother Who Discovers He Has Imbibed and Is "Soused."

Edward Cook, colored, aged 3, hiccoughed and went to sleep. The mother looked at her son. She saw not the stains of the jam case on the boy, for far be it from Edward to enjoy such infantile pastimes.

But Edward had forgotten to take an "am your friend" breath perfume tablet. The mother smelled gin and saw the opened bottle near the boy. Said to the pediatrician, "My little boy has drunk gin. He has been nearly killed when he last saw it in placing it away for medicinal purposes. Now more than half of it had disappeared."

The three-year-old was treated for acute alcoholism and laid away to sleep off the "jag."

### Sues for Ejectment.

W. Albert Price, of Alexandria, Va., asserted in a suit filed yesterday in District Supreme Court that he was ejected twice from the Union Station on March 3, 1913, after purchasing a ticket for that city. Wherefore, he asks that he be awarded damages to the extent of \$5,000 from the Southern Railway Company and the Washington Terminal Company. Mr. Price says he was conducting himself in an orderly manner when he was suddenly seized and ejected by employees of the defendants.

### New Members for Chamber.

The membership committee of the Chamber of Commerce has elected the following to membership in the organization: Frank X. Boucher, manager, William Knabe & Co.; James Dickerson, E. F. Droop & Sons; W. B. Garrison, 416 Tenth street; Carl Hammett, 936 Pennsylvania avenue; George Kramm, 254 Fourteenth street south; Printing Office; W. T. Mayhugh, 3042 R street; Frederick W. Niles, Western Building, and Charles E. Smith, Policemen's Association.

## MARGARET WILSON TO ADDRESS FORUM SUNDAY

Community Organization, Denied Use of Schol Building, Will Meet at Public Library.

Miss Margaret Woodrow Wilson, daughter of President Wilson, will be one of the principal speakers at the meeting of the Grover Cleveland Community Forum, to be held Sunday afternoon at 3 o'clock in the auditorium of the Public Library. Miss Wilson will speak on "The Course of Procedure Necessary to Secure to the Citizens of the District the Use of the Public School Buildings as Community Forum Meeting Places." Again denied the use of the Grover Cleveland School Building as a meeting place, through the postponement of consideration of the matter by the Board of Education at its meeting Wednesday, officers of the forum, of which Miss Wilson is honorary president, had to seek another meeting place.

An application for use of the auditorium of the Public Library was granted promptly by Librarian George F. Bowerman.

The other speakers at the meeting will be Representative Crosser, of Ohio, who was largely responsible for the introduction in Congress two years ago of legislation granting the use of school buildings on week nights and Sunday afternoons to citizens as a meeting place for community forums.

Rev. John Van Shick, Jr., will speak on "The Right of the People Regarding the Use of Public School Buildings as a Meeting Place at the Time When the People Desire."

### Choose Jewish Delegates.

At a meeting of the Jewish Congress Committee, representative of thirty-seven local organizations, held in Pythian Temple on Wednesday night, the following members were elected delegates to the coming convention of the Southern States Jewish organizations: M. Gritz, M. Garfinkel, P. Bennis, F. Alpher, and S. Zetland. The conference will be held in Baltimore on March 11 and 12.

## PASTOR'S RESIGNATION REFUSED BY COUNCIL

St. John's Evangelical Lutheran Church Insists Upon Rev. P. D. Leddin Keeping Charge.

The church council of St. John's Evangelical Lutheran Church has declined to accept the resignation from its pulpit of Rev. Paul D. Leddin, who has occupied it for the last two years. When Dr. Leddin saw that it would be a long while before he could return to his work in its entirety, after an auto accident had incapacitated him, he offered his resignation, believing it was not right that he should remain pastor of a church and not assume his full duties. He said the congregation would suffer as the result of the accident and he did not want it to do so.

But the council decided otherwise, voted down his resignation, and of their own accord each member pledged renewed support to the church and their pastor in his affliction.
